Hello,

The Data Branch is submitting a public records request for vendor procurement records.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140)

Scope of Request:

All purchasing records from vendors (if existing): Verkada, Triton Sensors, Soter Tech, Motorola, IPVideo Corporation, [Vocabulary.com](https://www.vocabulary.com).

Our goal is to identify records from 2022 to now that show the pricing arrangements associated with these vendors, such as licensing or subscription terms, per-unit costs, and any implementation or setup fees that may apply.

Relevant records may include:

- Contracts, service agreements, and order forms
- Purchase orders involving the above vendors
- RFP or solicitation documents
- Task orders issued under cooperative purchasing agreements

To the extent any portion of the requested records is exempt from disclosure, we ask that the remaining non-exempt segregable portions be released.

Please note that this request *is* for commercial purposes. We are glad to follow any applicable policies or procedures Norridge SD 80 has in place for handling public records requests, and we are open to narrowing, clarifying, or otherwise adjusting the request to ease the burden on your office.

Records should be sent to Béatrice Dupuis, who handles intake on behalf of The Data Branch, at the following:

Email: beatrice.dupuis@thedatabranch.com

Phone: (302) 585-3132

Address: [1111B S Governors Ave STE 21033, Dover, DE 19904](#)

Thank you for your attention to this request and we look forward to a prompt reply. If this office is not the correct custodian, please forward the request to the right agency or department, or advise us where to direct it. We appreciate your cooperation.

Thank you,

Aubrey Sinclair

The Data Branch Research Team
