Hello,

The Data Branch is submitting a public records request for vendor procurement records.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140)

Scope of Request:

All products from: dataminr, recorded future, and Shadow Dragon

We are seeking records from 2022 to now that reflect the pricing structure of any such engagement, including (if available), per-unit costs, subscription or licensing terms, and/or implementation fees.

We are looking for the following types of records:

- Contracts, service agreements, order forms
- Purchase orders relating to the above vendors
- RFP or solicitation documents
- Task orders issued against cooperative purchasing agreements

To keep this easy on your office, we are happy to receive records in whichever of the following formats works best:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records your office already maintains

If any part of the requested records is exempt, kindly redact only the exempt material and provide the remaining segregable portions.

For full transparency, this request *is* for commercial purposes. We will gladly adhere to any policies or procedures Norridge School District No. 80 has in place for public records requests, and are open to narrowing, clarifying, or modifying the request to make fulfillment easier on your end.

Responsive records should be sent to Finn Gallagher at the following:

Email: finn@databranchus.com

Phone: (302) 585-3132

Address: [1111B S Governors Ave STE 21033, Dover, DE 19904](#)

We appreciate your help and look forward to a prompt response. If this request belongs with another agency or department, please forward it to the appropriate custodian or let us know. Thank you for your cooperation.

Best regards,

Finn Gallagher

The Data Branch Research Team

Where these records go: The Data Branch is building a national reference of public purchasing records gathered from public sources across the country. When it launches at thedatabranch.com, the app will help public agencies compare what peer agencies paid for similar products and services. Records from your agency will contribute to this shared resource. Please feel free to share it with your purchasing or finance team.
